CAYMAN MOTORING FEDERATION

ENVIRONMENTAL POLICY STATEMENT

The **Cayman Motoring Federation ("CMF")** is committed to making environmental sustainability a core part of how we operate and host events.**Our Commitments:**

- **Comply with environmental laws** and stay up to date with all relevant changes.
- **Reduce our impact** by tracking and managing key areas like waste, water, energy, transport, and emissions.
- **Educate and engage** drivers, staff, and spectators about responsible environmental practices.
- **Promote recycling**, reduce single-use plastics, and work with sustainable suppliers.
- **Protect natural resources**, avoid pollution, and safeguard biodiversity at and around our events.

Help Us Make a Difference:

- Recycle properly using labeled bins.
- Bring your own reusable bottles and use our water refill stations.
- Reduce idling and carpool if you can.
- Respect noise limits and quiet zones.
- Report any environmental concerns to our **Green Marshals** on site.

Together, we're racing toward a cleaner, greener future for motorsport in the Cayman Islands.
